

## The Food Safety Modernization Act (FSMA) mandate is here. **ARE YOU COMPLIANT?**

The Federal Drug Administration (The FDA) has added new rules for food transportation, adding liability & responsibility to carriers. Protect yourself, your cargo, and your customers with temperature tracking from TeMeDa. We provide real-time monitoring, reporting, and alerting of transport container temperatures to prove your load was in compliance.

### » Temperature Sensor .....

The TeMeDa temperature sensor is specially designed to prevent false positives that are not reflective of actual refer changes. Temperature thresholds and Alerts can be set as desired.

### » Telematics Device .....

The TeMeDa Solution includes the latest in state of the art telematics hardware capable of capturing valuable truck data, engine performance monitoring, and diagnostic trouble codes.

### » FSMA Compliant Report .....

Our compliance report offers flexible reporting, alerting, and temperature threshold management.

## Temperature Sensor Report

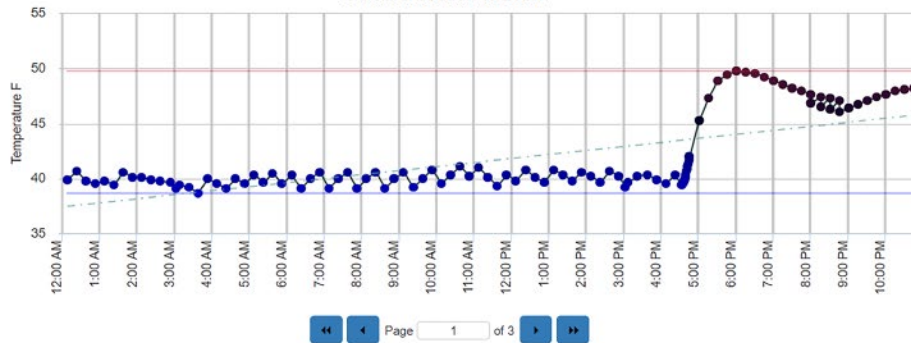

10/02/17 12:00 AM - 10/05/17 11:59 PM

Asset(s): 2017 Hino #238, 2016 Kenworth #198, 2017 Isuzu #410, 2015 Kenworth #212, 2014 Peterbilt #310

View Chart	Asset	Date	Average Temperature	Minimum Temperature	Maximum Temperature
	2017 Hino #238	10/02/2017	51.8 °F	39.9 °F	74.4 °F
	2016 Kenworth #198	10/02/2017	42.0 °F	38.6 °F	49.8 °F
	2017 Isuzu #410	10/02/2017	44.1 °F	39.5 °F	50.2 °F
	2015 Kenworth #212	10/02/2017	72.3 °F	62.6 °F	76.2 °F
	2014 Peterbilt #310	10/02/2017	45.0 °F	38.8 °F	53.9 °F

### 2016 Kenworth #198 10/02/2017

## TeMeDa

TeMeDa gives you valuable insight into the operation of your fleet. In addition to temperature monitoring, TeMeDa provides visibility into daily movements, idle time, shift productivity and driver behavior.

## ELD / HoS Mandate Compatible

The government Electronic Logging Device (ELD) rule demands that all vehicles and drivers subject to Record of Duty Status (RoDS) must have an ELD Solution. TeMeDa offers a fully compliant FMCSA Map 21 certified ELD / HoS solution that integrates seamlessly with our Temperature Tracking application.

## FSMA Compliance Kit

TeMeDa offers complete, ready to install Temperature Tracking kits. Contact us at 855-289-7821 to get compliant.
